When Jesus bled, he shed his blood for a reason.

The blood saved us from sin, gave us peace and gave us healing.

The blood was shed, but it was not lost.

Jesus' blood poured out with every stripe and as they nailed him to the cross.

His blood is red but it washes us white as snow.

It covers us when we are accused by our defeated foe.

His blood covers every deep, dark, ugly sin.

It doesn't matter how much you have to ask for mercy; he'll give it again.

He is faithful and just to forgive no matter how bad you think you might be.

Run to him when you're in need of forgiveness and you will see.

His blood is the one thing that will never go away.

It was powerful back then, and it is still powerful today!

The blood of Jesus was shed for me and it was shed for you.

Tell everyone you know about it 'cause he shed it for them too!

Jesus' blood covers completely and won't just get a spot out.

It is the one stain remover that will cover everything that you need to blot out!

The blood covers, keeps and it also protects.

The blood of Jesus washes and gets out all the specks.

Jesus' blood will remove stains from your life better than "Shout!"

There is nothing that works better to get all of life's stains out!

Jesus' blood won't fade, won't turn black, won't dry up ever!

The blood of Jesus will never lose its power.....Never!
